

Personal Devotional – Week 1, Jesus Savior

Theme: the Cross that changed the verdict

As you engage with this devotional, take time to slow down for “loving union” and personally engage with what Jesus has done for you as Savior. Set aside 15–20 minutes, or longer if possible.

WORD – What Did Jesus Do for Me?

Read the following passages slowly:

- Romans 3:25–26
- Acts 13:38–39
- Romans 4:25

Reflect:

- What problem is God addressing through Jesus?
- What does it mean that Jesus was raised to life for your justification?
- Which word stands out to you most today, and why?

WORSHIP – Receiving What Has Been Given

Worship is our response to truth. Take a moment to consider where you may still be striving to earn God’s approval. Thank Jesus that your debt has been fully paid.

Declare aloud if you are able:

“Jesus, I worship You as my Savior. I confess that I sometimes live as if I still owe something. Today I choose to trust that the debt has been paid in full.”

PRAYER – Living from Freedom, Not Guilt

Spend time praying through the following:

- Ask the Holy Spirit to reveal where you may still be striving.
- Thank Jesus specifically for forgiveness, freedom, and new life.
- Surrender your week to Jesus, asking Him to help you live from grace rather than guilt.
